

Simply Treasury

If you want to organize events, because of COVID-19 crisis, they must be “e-conferences”.

Simply Treasury can help you in digitizing your events.

- **E-CONFERENCES** are the only way to communicate with your customers or members of an association
- If you are fed up with webinars and to watch the upper part of the body of a speaker behind his/her PC from home, you should **rethink the way you run your conferences**
- For a successful e-conference you need to deploy video technology and skilled support
- You can even rent professional equipment and do it yourself with limited training
- You also need set up a virtual booth concept for sponsors
- For more details, do not hesitate to contact us !

For example, you can check below: the 360° virtual studio set up for ATEL
